

QUALITY POLICY STATEMENT

It is the policy of **SRC Construction & Paving Limited** to supply products and services to their clients which are fit for their intended purpose and entirely in conformance with the Company quality procedures and client requirements.

A system of procedure manuals is used to describe how the Quality Policy is effected, to give instructions and guidance to employees and to provide a picture of the overall quality aims and organisational goals of the Company. It is our aim, using the framework of Quality Objectives, to continually improve the effectiveness of the quality management system.

It is the responsibility of the top management to review the Quality Policy annually for continual suitability and ensure the quality system procedures are implemented, maintained and reviewed on a regular basis in the pursuit of continuous improvement. It is mandatory that all employees abide by the quality system procedures.

The Company publishes this statement in the knowledge that the quality of its products and services, and its good name, depend on the everyday actions of its employees.
